## VOLUME OSSILATOR

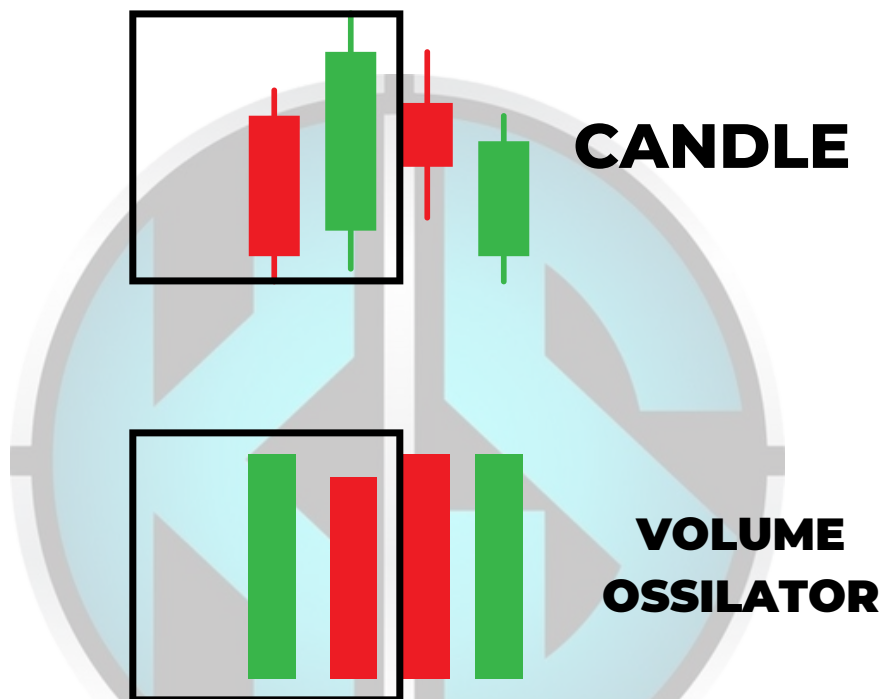

The Volume Oscillator displays the difference between two moving averages of a security's volume expressed as a percentage.

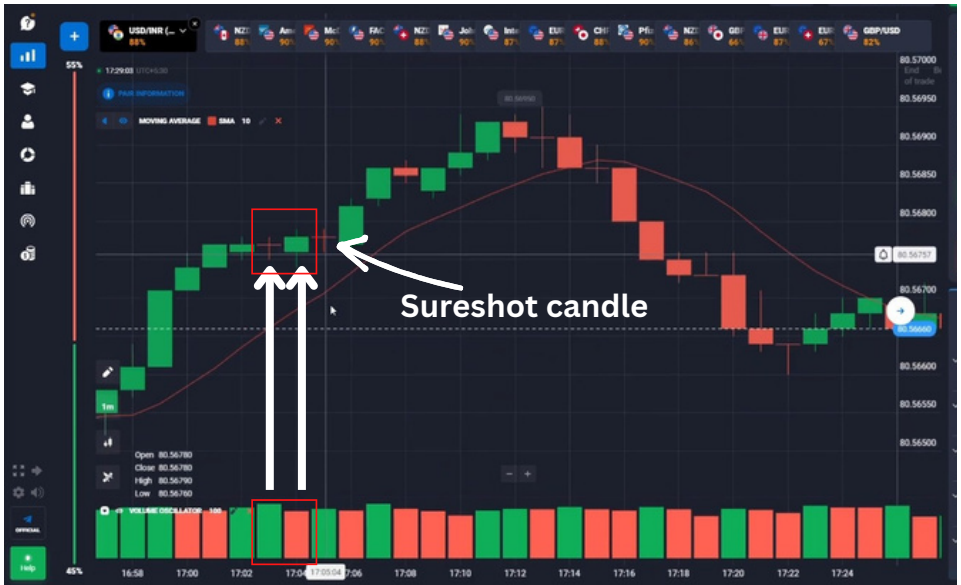

- Volume Ossilator ko qoutex mai lane ke liye aap ko indicator p jana hai wha p aap ko volume ossiltor dikh jayega .

- **Volume Ossilator work kese karta hai.**
- Jab bhi market mai candle banti hai **RED** ya **GREEN** tohh volume ossilator mai uska opposite colour hona chaiye , jese hum niche image mai dekh rhe hai

Jese hum image m dekh rhe hai humari first candle **RED** bni hai and uska volume ossilator bhi uske opposite colour mai hai,  
**RED** ki next candle bhi **GREEN** hai and uska volume ossilator bhi opposite colour mai hai, so yha hume ek trade milegi joki next candle p jo **RED** bnegi vo bhi sureshot.

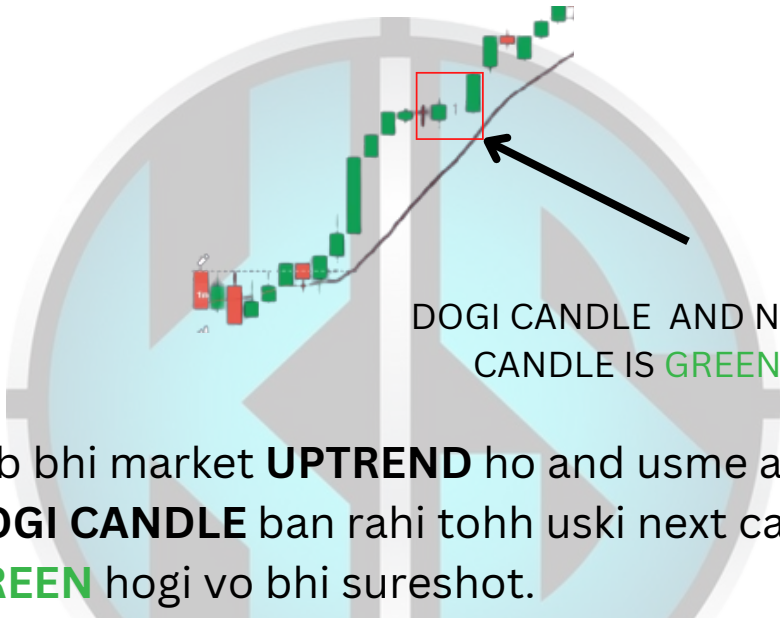

# Condition

1. DHYAN RAHE KOI SNR LEVEL NA HO .
2. OSSILATOR OR CANDLE KA COLOUR ALWAYS OPPOSITE HONA .

## CANDLESTICK

IS STRATEGY KO SMJNE K LIYE HUM  
PELHE CANDLE K BAAR JAAN LETE

**GREEN** CANDLE KE HAMESHA HEAD  
UPPER KI SIDE HOTA HAI AND TAIL NCHE .

**RED** CANDLE KE HAMESHA HEAD NICE KI  
SIDE HOTA HAI AND TAIL UPPER .

# 1.UPTREND

**CONTINUE  
UPTREND**

Trend agar continue **UPTREND** hai tohh hume **GREEN** candle k liye trade mil skti lekin jb pichli **GREEN** candle k **HEAD** agar **TAIL** se bada hota hai tohh humari sureshot win hogi.

## 2.DOWNTREND

CONTINUE  
DOWNTREND

Trend agar continue **DOWNTREND** hai tohh hume **RED** candle k liye trade mil skti lekin jb pichli **RED** candle k **HEAD** agar **TAIL** se bada hota hai tohh humari sureshot win hogi.

# **Condition**

1. SBSE PELHE SNR LEVEL DRAW KER LE .
2. YH STRATEGY TREND MARKET MAI WORK KARTI HAI.

# 6. STRATEGY

## COMPLETE V

Jab bhi market **V COMPLETE** krta hai tohh hume yha ek sureshot trade milti hai.

Jese aap upar image mai dekh rhe ho jse hi v complete hua market n wha reversal candle bnayi.

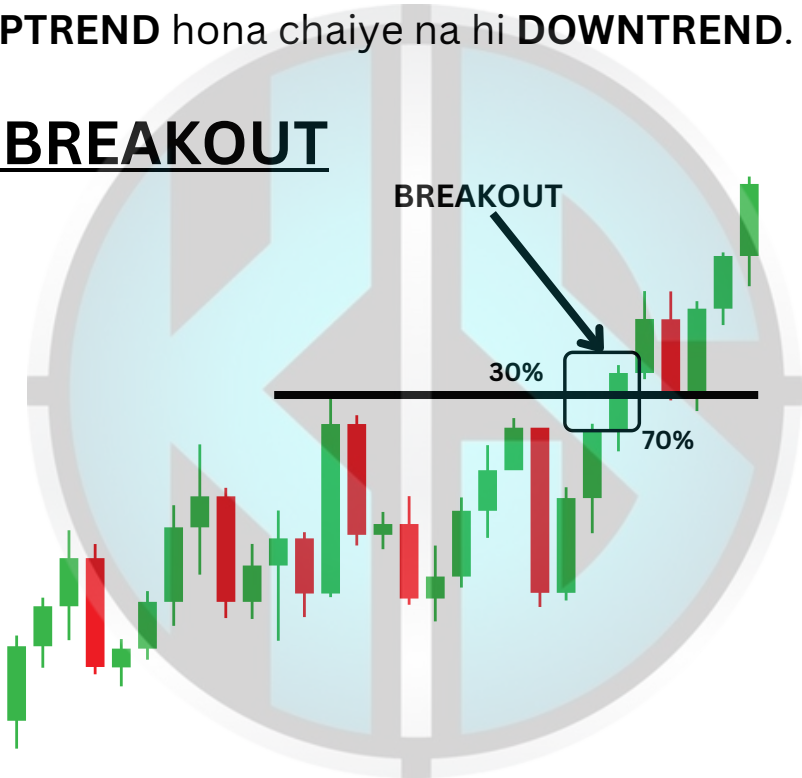

# 7. STRATEGY

## SNR BREAKOUT

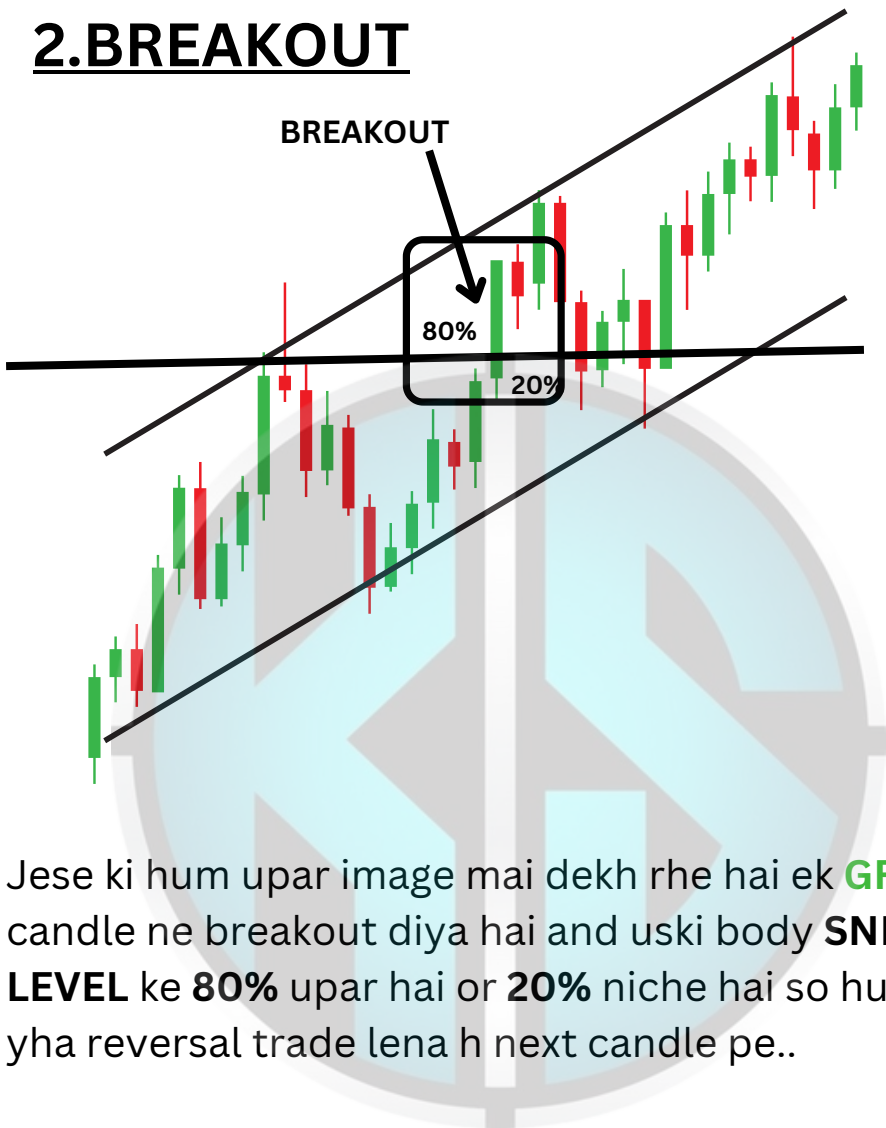

**SNR BREAKOUT** mai hume two type ki trade milti hai vo bhi sureshot lekin condition yh ki market na hi **UPTREND** hona chaiye na hi **DOWNTREND**.

### 1.BREAKOUT

Jese ki hum upar image mai dekh rhe hai ek **GREEN** candle ne breakout diya hai and uski body **SNR LEVEL** ke **30%** upar hai or **70%** niche hai so hume yha same direction k liye trade lena h next candle pe..

## 2.BREAKOUT

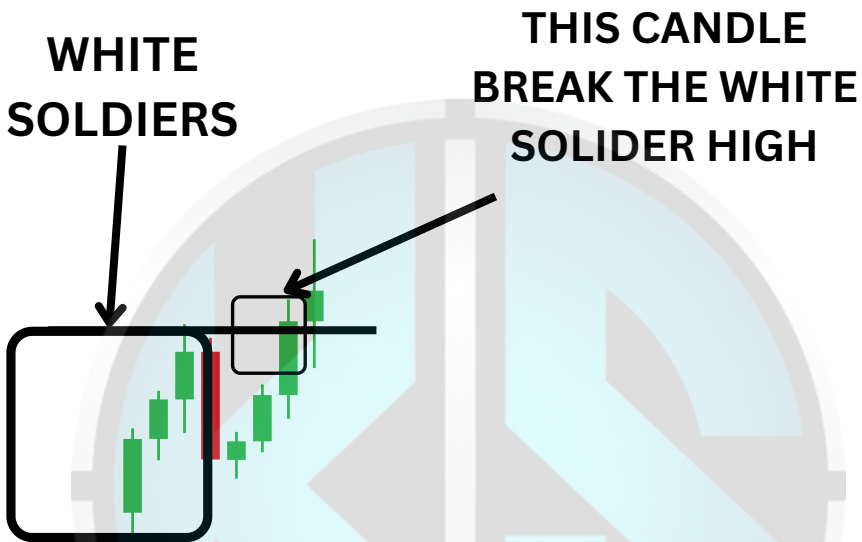

Jese ki hum upar image mai dekh rhe hai ek **GREEN** candle ne breakout diya hai and uski body **SNR LEVEL** ke **80%** upar hai or **20%** niche hai so hume yha reversal trade lena h next candle pe..

But hamesha condition yaad rahe jo bhi candle **BREAKOUT** kre uski body agr **SNR LEVEL** ke **60%** se uppar hoti hai tohh hume reversal k liye trade lena hai, and same agr **30%** se nche rahti hai tohh hume same direction k liye trade karna hai.

# 8. STRATEGY

## WHITE SOLDIERS

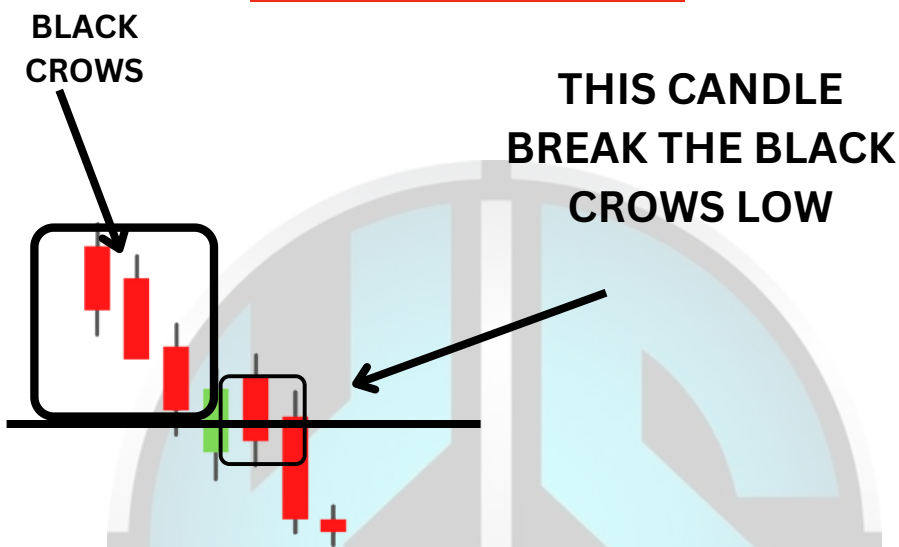

Jese ki hum upar image mai dekh rhe market continue **UPTREND** mai and continue **THREE GREEN** candle bani hai and uske just baad market ne reversal le liya h tohh ab hume wait krna jab tak koi candle **WHITE SOLDIER** k high ko break karke uske upar close ho then hum trade le sakte hai next candle k liye for **GREEN** vo bhi sureshot.

Dhyan rahe **WHITE SOLDIER** hume **UPTREND** mai banta dikhna chaiye.

# 9. STRATEGY

## BLACK CROWS

Jese ki hum upar image mai dekh rhe market continue **DOWNTREND** mai and continue **THREE RED** candle bani hai and uske just baad market ne reversal le liya h tohh ab hume wait krna jab tak koi candle **BLACK CROWS** ke low ko break karke uske niche close ho then hum trade le sakte hai next candle k liye for **RED** vo bhi sureshot.

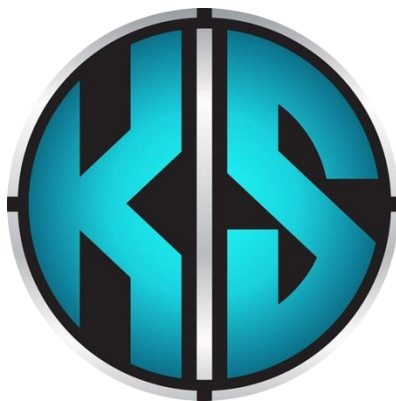

Dhyan rahe **BLACK CROWS** hume **DOWNTREND** mai banta dikhna chaiye.
